

Parking Lot Policy

Charlotte Community Library's parking lot is for those people using the Library or attending library events. You must park only in the marked spaces.

There is no parking between the hours of 2:00 AM and 5:00 AM, except for the library employees or board members. Vehicles left in the parking lot overnight or not in a marked space will be towed at the owner's expense.

The parking spaces that are located near Sheldon Street and near the west side of the building are designated as staff parking and loading only.

The Library Director may authorize exceptions to this policy. Vehicles exempted for specific period of days will receive a notice signed by the director to post on the dashboard.
